# GREAT VALUE AND THE BEST AUTHENTIC EXPERIENCES

When we're on the ground exploring and putting together our small group tours, whether it's in the slums of Delhi or a tropical beach in Queensland, we always have one thing on our mind: you, the traveller.

'How does this experience benefit a traveller? How will this journey excite and ignite that passion for travel? Is this activity the best value it can be for our tribes' valuable vacation time?'

These are the questions we ask ourselves about every hotel, restaurant, activity and project that goes into a Hands on Journey. If it's not the best value or the best experience you can get then be assured it has been tried, tested and scrapped from our itineraries. This leaves only the best of the best which makes it onto our life-changing tours. Only moments which blew us away and contribute to our key values of Incredible Sights, Cultural Immersion and Empowerment Tourism make it onto the journey you will be taking.

We know your annual leave is priceless and the considerable cost investment in an international trip, as such we hold our self to the standard that if we don't personally think something is of great value or the best authentic experience a destination has to offer then we won't take our travellers there.

Every trip, every time our promise is simple: Great Value and The Best Authentic Experiences.

OUR PROMISE

# INCREDIBLE SIGHTS

The world is an astonishing place, and each country contributes a multitude of different attractions and sights. Some may be under the radar and harder to find, but it's our mission to continually find those hidden gems and couple them in with the most famous stops on our itineraries.

Our promise to you is not just to take you to these world-famous attractions, but with the help of our local experience leaders and expert guides, to share the history, facts and stories behind them.

OUR PROMISE

# EMPOWERING COMMUNITIES

Through our #EmpowermentTourism concept, you might be helping a community open a cooking school, providing an underdeveloped college with clean water or empowering a small group to finally open a business. When we say our tours are life-changing, we mean for the locals as much as you.

We promise our projects are sustainable, well thought out and leave a lasting impact.

At its core Empowerment Tourism is about lifting a community up, not passing down handouts. Through new skills and investment, we want people around the world to thrive, on their terms, and not be reliant on any external sources.

OUR PROMISE

# CULTURAL IMMERSION

Without interaction, travel is no different from seeing star-studded attractions on the big screen. The people we meet, stories we share and moments we treasure on our travels usually can be attributed to the locals we have met. Cultural immersion is at the forefront of what we do because we believe in it. The best way to understand a destination is through the eyes of the locals, and our small group tours do just that.

We promise to introduce you to new communities as strangers and to leave as friends. To show you the day-to-day life, the inside scoop and to immerse you in the destination beyond the pages of a guide-book.

# **TOURS TO SUIT YOU**

## **JOIN A SCHEDULED DEPARTURE**

Our scheduled departures are small group tours of between 12 to 16 people. If you are travelling solo or as a small group and want to join other travellers, on a specific date, these tours provide a great chance to meet new people and discover a country together at a cost-effective price.

## **BOOK A PRIVATE TOUR**

Our private tours offer you full control. With more itinerary options available, you choose the departure date that best suits you. We don't require any minimum number to run these tours, and they can be booked for just one person, or up to 16 guests for your private group.

# INCLUSIONS

**At Hands on Journeys, we don't believe in hidden extras. That is why on each of our itineraries you can see a listing of what is and isn't included, including a suggested amount of cash to 'bring in hand' allowing you to plan your trip and budget, before even booking. All of our tours include the following as standard.**

## ACCOMMODATION

All of our hotels are a minimum of the international three to four-star standard. Rooms provide private bathrooms, a telephone line, internet and a television. Some of our accommodation even have swimming pools, providing a refreshing dip after a long day of giving back. Whenever we use a homestay, these have been vetted and kitted out with new, clean and comfortable bedding.

## NO SINGLE SUPPLEMENT

If you are flying solo but don't want to upgrade to a private room, we will pair you up with another awesome tour companion and save you from the single supplement extra that many companies force on their travellers.

## ATTRACTIONS INCLUDED

Unlike many other tour operators, we don't spend the tour trying to sell you upgrades or leaving you hanging around on the street because you can't afford an unexpected attraction. All entrance fees are covered on tour, so you don't need to dig into your pocket.

## LOCAL EXPERIENCE LEADERS

Each one of our local experience leaders loves their jobs and more importantly their country. We don't just take you on a tour of a country; we take you on a journey that will captivate you every step of the way. We always use local experience leaders to ensure we are supporting job creation in the country and you get insightful local recommendations.

## EXPERT ATTRACTION GUIDES

At many historical and famous attractions, you will additionally be joined by an expert attraction guide who can answer all questions and provide a unique and factual view of your journey.

## GROUP SIZE

To ensure the best experience possible, we keep our group sizes to an average of 12-people, a maximum of 16-participants. We are proud to welcome people of all ages.

## ACCREDITED PROTECTION

We are registered and accredited with CATO, AFTA and ATAS. ATAS Accredited A12571 / AFTA Accredited 13684 / CATO Registration TO1024

## COMFY TRANSPORTATION

For all of the transport we use, we ensure at a minimum; it's safety and comfort. We don't want our travellers jumping out of an over-heating coach to visit an attraction, so air conditioning, spacious seating and water is provided. Some of our transport includes wifi.

## FOOD INCLUSIONS

We aim to tantalise your taste buds with exotic flavours and local specialities created from seasonal produce. We include a variety of meals on tour, with breakfast daily on most tours and a range of lunches and dinners sampling authentic flavours. With a mix of fusion, street, traditional and western cuisine we don't just palm you off on the typical tour restaurants, we have personally eaten in each of these establishments. Alcoholic and soft drinks are excluded at meal times. Water and on most occasions, hot beverages are included.

No problem if you are vegetarian, vegan, celiac, lactose-intolerant or allergic to certain foods. We cater to all and any special dietary needs, just give us notice when you book your trip.

## LIKE-MINDED TRAVELLERS

At Hands on Journeys, we are an inclusive operator and welcome all types of travellers to join our tour. That said, those who join us are usually looking for a more immersive experience and have a passion for giving back. Whether a seasoned pro or a first-time traveller, our groups are united by the need to see the world differently.

## OPTIONAL UPGRADES

Don't want to spend your trip of a lifetime sharing a room? No worries. We can arrange a private room for you with a single supplement. Many of our other tours also offer extensions, five-star upgrades or even family deals.

Enjoy this eight-day tour which takes you from the busy streets of Delhi, with its incredible architecture to explore, down to the relaxing backwaters of Kerala in the South. Marvel at Delhi's attractions, enjoy sleeping in a hill station treehouse and on a houseboat, and also give back through our empowerment tourism projects.

Starting in Delhi, we explore the incredible and dazzling Akshardham temple alongside a full day tour of the main sights; Raj Ghat, Lotus Temple, Qutub Minar and more. You'll also have the chance to make an impact here at our empowerment tourism project in the slums.

For the second part of the tour, it's time to slow down, as we head to the Kerala region in the south, famous for its backwaters. Here you'll visit scenic hill stations, sleep in a treehouse, and enjoy a night on a houseboat. At each stop there will be more to discover, giving you an intimate overview of the Kerala region.

As well as visiting magnificent monuments, savouring the flavours of the region and discovering the inside scoop from your professional tour experience leader, you will also be supporting various empowerment projects throughout the country. We can't wait to show you why travelling this way has us hooked, and welcome you to India the second you step out of the airport.

Give back to local communities through our empowering projects, be blown away with an Angkor Wat sunrise and learn the tragic history of the Killing Fields and the impact this event had on the development of Cambodia.

## FROM REEF TO RAINFOREST: AN INDIGENOUS IMMERSION

 **5 DAYS | CAIRNS TO PORT DOUGLAS TO CAIRNS**

Join us on this five-day experience in Tropical North Queensland. Famous for where the reef meets the rainforest, this Cairns and Port Douglas long weekend combines some of the most incredible natural wonders in Australia with an immersive Indigenous experience. From traditional art workshops to snorkelling the Great Barrier Reef, we promise you an in-depth overview of this sun-soaked destination.

With two nights in both destinations, we provide an exciting and all-encompassing overview of what makes this one of Australia's premier hot-spots. Of course, the Great Barrier Reef and Daintree rainforest are the stars in far north Queensland, but this tour packs in so much more.

We take you on a journey which includes a Dreamtime walk through Mossman Gorge, learning how Indigenous locals use nature's materials in artwork, medicine and day to day life and embark on a one-hour Aboriginal art workshop to learn both traditional and modern techniques.

The highlight of this tour is the incredible chance for "A day in the life of the local Indigenous community," which we carefully crafted with the local Nintiringanyi community and allows a cultural exchange while creating employment opportunities. From traditional cooking methods to age-old dances, prepare to learn more about Australia's rich cultural history on this enriching experience.

If you wish to cancel your booking to take advantage of a cheaper price, full cancellation conditions apply. The most up to date pricing is available on our website. We reserve the right to impose surcharges up to 65 days before departure due to unfavourable changes in exchange rates, increases in transportation costs, increases in local operator costs, taxes, or if government action should require us to do so. In such instances we will be responsible for the any amount up to 2% of the tour price and you will be responsible for the balance. If any surcharge results in an increase of more than 10% of the tour price you may cancel the booking within 7 days of notification of the surcharge and obtain a full refund. We will not charge any additional surcharge to any booking for travel once the tour price is paid in full.

### 10. Age requirements

Minimum General Policy: For the majority of our trips the minimum age is 15 at the time of travel. All travellers under the age of 18 must be accompanied by a legal guardian, or in lieu of a legal guardian, by an escort over the age of 18, appointed by their legal guardian. The legal guardian or their designee will be responsible for the traveller under the age of 18 day-to-day's care. If a legal guardian elects to designate an escort in their lieu, they will be required to complete and sign a relevant document, to delegate their authority.

Please note we cannot guarantee triple or joining rooms for families; accompanying adults may be required to share with others in the group on a twin share basis.

### 11. Health requirements

All Clients are responsible for choosing a trip appropriate to your physical abilities and interests.

### Travellers Mobility and Fitness

Our small group adventures bring together people of all ages. It is very important you are aware that, as a minimum, an average level of fitness and mobility's is required to undertake our easiest programs. Travellers must be able to walk without the aid of another person, climb 3-4 flights of stairs, step on and off small buses/coach, and carry their own luggage at a minimum. While our Tour Escorts work hard to ensure that all our travellers are catered for equally, it is not their responsibility to help individuals who cannot complete the day's activities unaided. Please refer to the physical ratings in the Tour details documents for more information.

Mental health, anxiety or depression conditions?

HOJ clients may in the course of the tour be exposed to difficult conditions, unfamiliar environments, with different cultural norms and amongst people from diverse backgrounds. We strongly recommend that you seek your medical practitioner's advice on whether such a program is appropriate for you prior to completing the application form. Pre-existing medical conditions

Guests are responsible for being in sufficiently good health to participate on their trip and may be required to obtain a medical practitioner's clearance. Once a trip has been confirmed medical circumstances will not be considered as exceptions to our cancellation policy. HOJs takes no responsibility regarding medical advice, medications or vaccinations that you or your doctor feel is necessary for your safe participation. All journeys are undertaken at your own risk and we reserve the right to refuse your participation in a particular activity or a complete journey if we believe it is for your own safety and the safety of other passengers. This is to ensure that Clients have the necessary fitness and mobility to comfortably complete their chosen tour. It is your responsibility to ensure that you obtain proper and detailed medical advice at least two to three months prior to travel for the latest health requirements and recommendations for your destination.

### 12. Illegal drugs

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone

we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our Tour Escorts have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

### 13. Passport and visas

Visas are the responsibility of the individual traveller. The visa requirements for your tour vary depending on where you are from and where you are going. As a general rule most countries expect that your passport must be valid for 6 months beyond the duration of the tour.

You must carry a valid passport and have obtained all of the appropriate visas, permits and certificates for the countries in which you will visit during your tour.

It is your responsibility to ensure that you are in possession of the correct visas, permits and certificates for your tour; please refer to the pre-departure tour Notes for details. We are not responsible if you are refused entry to a country because you lack the correct passport, visa or other travel documentation.

### 14. Travel insurance

Travel insurance is compulsory for all our travellers and should be taken out at the time of booking. Your travel insurance must provide cover against personal accident, death, medical expenses and emergency repatriation with a recommended minimum coverage of US\$200,000 for each of the categories of cover. We also strongly recommend it covers cancellation, curtailment, personal liability and loss of luggage and personal effects. You will be requested to email us a proof of your travel insurance at least 30-days before your tour start date.

### 15. Flexibility

You appreciate and acknowledge that the nature of this type of travel requires considerable flexibility and you should allow for alternatives. We may also elect not to carry you on any future trips booked. You must at all times comply with the laws, customs, foreign exchange and drug regulations of all countries visited, and you also agree to travel in accordance with our responsible travel guidelines.

### 17. Acceptance of risk

You acknowledge that the nature of the tour is adventurous and participation involves a degree of personal risk.
